## Nonviolent Peacemaking in your community ... in your world

**October 23-25  
Katoomba**

A growing number of people around the world are using active nonviolence to bring about change in their societies. People are also using nonviolence to challenge personal, interpersonal, and social patterns of violence in their own lives.

Come and learn about:

- the principles and power of active nonviolence in the tradition of Jesus, Gandhi and Martin Luther King Jr;
- connecting personal transformation and social change;
- concrete skills for putting nonviolent power into practice.
