PEACE & ALL GOOD

Pace e Bene Australia Nonviolence Service

*... promoting the
spirituality and practice
of active nonviolence*

there is another way...

There is a growing number of people around the world who are using creative nonviolence to bring about change in their societies. People are also using nonviolence to challenge personal, interpersonal, and social patterns of violence in their own lives. The more we are equipped with the vision and skills of nonviolence, the greater the chance for the emergence of effective nonviolent solutions in our lives and in the world.

Pace e Bene Australia invites you to join us on a journey, exploring nonviolent living...

Through the provision of educational materials and community workshop facilitators, we provide a study and action program that explores nonviolence as a creative, powerful and effective process for addressing and resolving the conflicts in our lives and in the life of the world. Drawing on the vision of Jesus, Gandhi, Martin Luther King, Jr., Shelley Douglass, John Dear and many others, this program offers your church, school, community, or group resources to deepen the journey from fear to freedom, from despair to hope, from violence to wholeness.
